MITCHELL'S NEW MOLD

The office of Labor Secretary has all too often seemed the stepchild of the Cabinet. The job carries little power, perhaps less influence. It appeared to many labor observers scarcely more than a political gimcrack, a post created as a gesture to labor and of little other significance.

Secretary James P. Mitchell seems determined to change the pattern. He refuses to preside numbly behind an office facade and let issues involving government and labor volley between Congress and union chiefs and the White House.

He spends a great part of his time on the firing line, in the thick of labor issues. And he has abandoned the political tactic of patting and scratching labor's back at all times, in all places—a policy that fooled nobody in labor and made the Secretary's post pretty futile.

Mr. Mitchell startled all hand recently by showing up at the American Federation of Labor convention with a sharp blast at labor criticisms of the Eisenhower administration. This convention wasn't friendly to the Ike record, or at least its leaders weren't. But Mr. Mitchell rolled up his sleeves and "bearded the lion" in it fair.

He cited facts and figures to show what the administration has tried to do and what advantages labor was getting in the economy. Whether he made any immediate converts, he made the delegates think and came off with an ungrudging mode of praise from labor's chiefs. They liked his courage.

Secretary Mitchell this week accepted a challenge of the CIO Electrical Workers Union and submitted himself to cross-examination on labor policies of the administration. This was unprecedented. Again he came off with a rousing tribute for his effort.

Past Secretaries of Labor — there have only been seven — have included four union leaders, two politicians and one social worker. Mr. Mitchell is a professional labor-relations manager. He is experienced in dealing with labor problems. He apparently views his job as an office seeking to link best possible interests of labor with best interests of the general welfare.

If he can put over this thesis labor might find an unexpected advocate for its just demands, who does not intend to be a top-level cipher in government. Secretary Mitchell may make the labor portfolio really influential, for the first time since it was created.

Boyle's Column

By HAL BOYLE

NEW YORK — The rift between Marilyn Monroe and Joe DiMaggio, thrown out at home plate, is certain to cause 50 million self-appointed moralists to ask that old question:

"What is wrong with Hollywood marriages?"

But the real puzzle isn't that so many film colony matings end up in the divorce courts. The enduring wonder is that so many people in Hollywood bother to get married at all.

Mae West once observed, reviving a joke older than the bustle: "Marriage is a great institution—but who wants to live in an institution?"

The divorce statistics obviously prove that scores of film stars don't actually want to live in this institution. They merely want visiting privileges. They go in and out of marriage as it suits their convenience.

Hollywood is a factory that for 40 years has been largely devoted to the manufacture of implausible celluloid fairy tales in which a pauper can marry a princess and any smart working girl can land a millionaire.

The formula behind most plots is simple and changeless: Boy meets girl; there is a problem that keeps them apart; they solve the problem; boy and girl then clinch in a fadeout that is a prelude to endless bliss.

That is the main thing—the happy ending.

The trouble with many delivers in the Hollywood vineyard is that they come to believe in the plots they act out. They feel unconsciously that if they just marry

all their high-tension woes will be over.

They sometimes think of marriage as they do a sleeping pill—something to calm them down. But marriage doesn't ordinarily work that way. As countless thousands of ministers patiently preach, "Marriage isn't a happy ending—it is only a happy beginning."

Contrary to the sugar-coated fairy tales about life it offers for sale to the public, Hollywood itself is a pretty rugged jungle ruled by a financial and social caste system nearly as inflexible as that of old India.

A conventional type marriage simply isn't suitable for many who are caught up in this benedictine world of nervous worry and success worship.

What Hollywood needs is a new type of marriage—in fact, several types of marriage—more adapted to its needs, such as:

1. The publicity marriage. Great for two starlets who can't get their names in the paper any other way. Also fine for aging stars who need to let the public know they are still alive.

2. The multiple or mass marriage. This is useful for up to five actors and five actresses who are all, sooner or later, going to swap around anyway. By marrying each other all at once they could save future divorce costs and also have to pay only for a single big wedding celebration.

3. The contingent marriage. Under this arrangement if either performer gets better billing than the other, he or she is automatically free to shuck off the unfortunate partner as excess cargo.

Marriages such as these would be a realism to its marital relations that Hollywood sadly needs. Some might argue that Hollywood should reinstitute the custom of trial marriages, but this is unnecessary.

Marriage is a trust anywhere under the best of circumstances.

The World Today

WASHINGTON (AP)—In a special message to Congress last January on labor problems, President Eisenhower urged the lawmakers to make a "thorough study" of union welfare pension funds.

He proposed this with the idea that Congress after an investigation might pass "such legislation as will protect and conserve those funds for the millions of working men and women who are the beneficiaries."

How many welfare funds are there in the United States? No one around Washington could be found with the answer. How much money is there in these welfare funds? No one knows that either. But it's in the billions.

Before the President sent his message to the Capitol there had been numerous suggestions from management and members of Congress that such funds should have public supervision, similar to insurance regulations now in effect.

Some scattered investigations, particularly by the state of New York, have uncovered evidence of some mishandling of welfare funds by union members.

For example, Union members on a board of trustees administering a fund chalking up as legitimate expenses a Florida vacation and a high-priced car, with the money for the expenses coming out of the fund they administered.

Congress took up the President's suggestion and set up two special labor subcommittees, one in the Senate and one in the House, to investigate welfare funds.

The work of these committees may not be completed for a year or more. That would make new legislation covering welfare funds seem unlikely for a couple of years.

But meantime the big labor organizations, the AFL and the CIO, have become deeply concerned about the problem.

The AFL has offered to help in writing a law regulating welfare funds. Its president, George Meany, announced the AFL Executive Council has ordered a yearly audit of all its affiliated unions' finances, including welfare funds.

And this week the CIO Executive Board:

1. Created a standing committee to search out any irregular handling of union welfare funds and to throw out any racketeers discovered.

2. Pledged cooperation with federal and state investigators and said that if additional legislation is found necessary as Eisenhower suggested, the CIO will support it.

The AFL and CIO have good reason for wanting to keep their member union's hands clean in administering welfare funds, created for the benefit of millions of organized workers.

Many of these funds probably the vast majority, have been set up through negotiation and agreement between unions and employers in collective bargaining.

Unless they can be protected against the raids of thieves or racketeers, Congress might decide to pass a law forbidding any collective bargaining for welfare funds at all.

These funds take various forms, ranging from pension to hospital and surgical care.

In Hollywood

HOLLYWOOD — Jose Ferrer, that man of many trades and master of most, is taking a whirl at directing his first movie.

Puerto Rican-born Ferrer is starring in and directing "The Shrine," which he also starred in, directed and produced on Broadway.

I dropped in on his set to see how he is coming along.

I found the balding, energetic actor pacing down a ward representing Bellevue Hospital in New York. There were no lights or cameras, because he was spending the day in rehearsals.

Ferrer was all over the set. He moved the actors like chessmen, conferred with script writer Ketti Frings and sought advice from technical adviser Alice Riddell, a pretty nurse from Los Angeles General Hospital.

When the company broke for lunch, Ferrer told me how he is filming the picture. He takes one sequence and rehearses it for a day or two. Then the entire crew is assembled and the sequence is filmed. Ferrer moves on to another rehearsal.

Although this method seems costly, it actually saves money. Ferrer declared: Actors who appear in one sequence only can be disposed of instead of keeping them on salary throughout the filming. And the shooting moves much faster, because the action has been well rehearsed and the camera angles dropped out in advance.

GOP Gives\$ to Dems--Talented--The 'H' Book--No Election News Abroad--GOP Gets Hang of It

BY DOUGLAS LARSEN

NEA Staff Correspondent

WASHINGTON (AP)—(NEA)—A young matron in town, eager to volunteer some time to the cause of the Democratic Party, agreed to solicit "Dollars for Democrats" on Connecticut Ave. the other day. The woman handling the drive stationed her in front of one building saying that was her exclusive territory.

That evening the weary volunteer reported, "I guess I'm a failure. I only collected \$25 all afternoon."

The astonished woman in charge assured her that she was actually a howling success.

"You see," she explained, "I put you in front of that building to test you because they were having a big Republican meeting inside all day. You have just collected \$25 for the Democrats from the top brass of the GOP."

WHEN HE was stationed in the Pentagon, Brig. Gen. Frank Dorn was one of the most popular figures in town as a handsome bachelor and famous book who wrote a book on the subject. When he retired he announced he was leaving Washington to go to California and write.

When he arrived out there he met another retired general who advised, "Pinky, forget the writing business, take a tip from Ike and try painting because it's easier."

Dorn took that advice and has now become one of the most promising artists on the West Coast, selling his stuff for more than he dreamed he could make writing.

THE ATTEMPTS of scientists and officials of the Atomic Energy Commission to cover up the inside story of the development of the H-bomb is the very reason that the new controversial book, "The Hydrogen Bomb" was written.

Authors Jim Shepley and Clay Blair are Washington news magazine reporters who have covered the atomic beat in town for years.

But every time we tried to get ground on the development of the hydrogen bomb we discovered a super-sensitive reaction on the subject. Jim says:

"The more material we got on a lot of wives today seem to have the mistaken notion that the way to keep the middle years of a man's life from becoming 'dangerous' years is by spending a lot of time and money on trying to keep themselves looking young."

They would have far more success and much happier husbands if they concentrated on their husbands, instead of on themselves.

A man's fear of growing old, his rebellion at being on a treadmill, his dismay at realizing that he is probably as successful as he is ever going to be, can't be wiped out by having a 45-year-old wife who looks like 35 or a 50-year-old wife who looks 40.

They can be softened enough to become acceptable, though, by having a wife who understands his feelings well enough to help him find such a full rewarding life that he hasn't any time to let himself become depressed.

REFUSE TO BE DISCONTENTED

One thing any wife can do to make her husband feel he has achieved a great deal is to refuse to be discontented herself. The wife who is proud of her home, proud of her husband and the place he has made for himself and his family, and is proud of what they have accomplished together, helps, by her own attitudes, to keep her husband's spirits high.

Another thing a wife can do is to encourage her husband to use his talents and abilities in worth-while civic projects. A man who is helping to do something worth while can't feel that he is on a treadmill.

Still another thing a wife can do is to make sure her husband knows that he still comes first with her. Women who always consider the needs of their children—of whatever age—more important than the needs of their husbands do a great deal to make a man's middle years "dangerous" years.

If the more everybody would warn Commerce Undersecretary for us not to print it and try to get Transportation in Chicago:

"It seemed so obvious to press to bury the information," he tells. "Well, when that happens, you know you have got a big story. So we decided to put it into a book," he explains.

The first publisher they approached, by the way, turned the idea down on the grounds that there wouldn't be much public interest in the subject.

TOP OFFICIALS of the U. S. Information Agency, America's instrument of foreign propaganda, have studiously refrained from laying down any policy on how news of the present congressional campaigns should be reported abroad on the agency's news wires.

But in the absence of a "line" from the top, the people who handle the wire have just ignored the campaign news and are not sending any abroad. "Our best job is to explain and interpret America's foreign policy abroad and we don't think the campaign helps to do this particularly," explains a USIA official.

However, the wire does carry a daily 500-word summary of the progress of the campaign for the exclusive use of U. S. officials stationed in foreign countries.

IT APPEARS that word has gone out from GOP headquarters to Administration officials that they should put more humor in the public speechmaking.

Norman P. Mason, Commissioner of Federal Housing Administration at Swampscott, Mass., "Last April when I took charge of FHA's affairs I could not help but think of the story of the horse thief standing on the gallows, who said, 'Sheriff, you know this is the first time I've done this. Would you go a bit easy until I sort of get the hang of the thing?'"

Assistant Secretary of Labor J. Ernest Wilkins in Los Angeles: "When we discuss the economy these days, I am reminded of the tourist who was being driven through the beautiful San Gabriel Mountains outside of Los Angeles. 'Hill here, isn't it?' he asked the guide, who replied, 'No, it's just low over there.'"

Succulent Fresh Vegetables Enhance Tasty Pot Roast

A MEAL FIT FOR A KING—low-cost pot roast and succulent fresh vegetables.

BY GAYNOR MADDOX

NEA Food and Markets Editor

Bottom round or chuck from lean cattle is ideal for pot roasts. This grass-fed meat is now very low in cost because there is so much of it available that prices have been forced down. So take advantage of this buyers' market in beef and serve pot roasts, steaks, hamburgers, many times a week.

As fresh vegetables are abundant now and at reasonable prices, combine them with lean beef in tempting and health-insuring dishes.

This basic pot roast and vegetable recipe makes a hearty meal in itself. We have added a few notes on extra tricks we use in our home.

Fresh Vegetables with Pot Roast (Yield: 6 to 8 servings)

Four pounds bottom round or chuck roast, 1 tablespoon shortening, salt and ground black pepper, 1 cup water, 6 to 8 potatoes, 6 to 8 carrots, 6 to 8 onions or turnips, 1 teaspoon salt.

Brown roast on all sides in shortening (use a little fresh pork fat if possible) in a heavy skillet or Dutch oven, sprinkling with salt and pepper while meat is browning. Place

meat in a tightly covered saucepan or leave it in the Dutch oven. Place a rack between the meat and bottom of the container. Add 4 cup grass-fed meat is now very low in cost because there is so much of it available that prices have been forced down. So take advantage of this buyers' market in beef and serve pot roasts, steaks, hamburgers, many times a week.

Simmer (DO NOT BOIL) until meat is tender, about 2 1/2 hours. Add more water if necessary. One hour before meat has finished cooking, add the vegetables. Sprinkle them with the one teaspoon salt. Cover saucepan tightly. Simmer until tender.

Remove meat and vegetables to a warm platter. Thicken gravy with flour mixed to a paste with water. Use 1/2 tablespoons flour and 2 tablespoons water to each cup broth left in the pan. Cook until medium thickness.

Try using liquid poured off of a jar of sweet pickles with water. Adds pungency and helps tenderize the beef.

Another flavor and tenderizing ingredient is red wine. Use it either with the water or full strength.

TOMORROW'S DINNER: Pot roast with fresh vegetables, rice, bread, butter or margarine, cole slaw, chocolate chiffon pie, coffee, tea, milk.

Trichinosis Affects Humans as Well as Animals

BY EDWIN P. JORDAN, M.D.

Written for NEA Service

One of the least-known and most widespread diseases on the North American continent is trichinosis. The disease, caused by an animal parasite, is believed to be present in about 25 million persons and some 350,000 people acquire new infections each year.

Most of these infected do not show symptoms, but about 16,000 are likely to swallow enough parasites to produce disturbances which could be identified although only a small number of these actually are pinned down. About one person in 20 of those who have infections with symptoms dies from the disease.

Trichinosis is preventable and could be entirely eliminated. Its importance, however, has not been sufficiently well recognized although conferences of medical and public health authorities on how to combat trichinosis have been held both in 1952 and 1954.

The disease affects swine primarily. It is by eating pork or pork products containing these parasites in live form that human beings acquire the disease.

The disease is kept alive in swine, in large part as a result of the practice of feeding these animals with raw garbage, thus developing a kind of vicious circle.

The control of trichinosis by means of proper garbage disposal can be accomplished either by making material infected with trichinae inaccessible to swine, by burial or sanitary land-fill, or by killing the parasites in their larva form before the infected garbage is fed to swine.

These methods are entirely practicable and laws requiring suitable garbage disposal should be adopted by those communities which have not already done so, those which have satisfactory laws should enforce them.

Demos Battle For Election To Fill McCarran's Term

By LEONARD LEFKO
RENO, Nev., (U.P.)—Nevada Democrats carried to the State Supreme Court today their battle for a winner election in November to fill the two-year balance of the late Democratic Sen. Pat McCarran's term.

The high court arranged to hear an appeal on an injunction won Wednesday by the GOP against the November ballot. The court indicated it would rule swiftly.

With the Republican majority in the Senate only three seats, the legal maneuvering has added drama to an otherwise lusterless Nevada election campaign.

At stake is whether Republican Gov. Charles Russell's appointee to the Senate, Reno Republican Atty. Ernest Brown—an Eisenhower supporter—will fill out the term or whether an election will be held next month to decide the successor.

Lester Summerfield, former GOP national committeeman from Nevada, won the preliminary round of the great legal battle Wednesday when Dist. Judge A. J. Macstretti granted a permanent injunction.

The Democrats are backed by a ruling from State Atty. Gen. William Mathews—a Democrat—that Brown's appointment is good only until the winner of a senatorial race is certified and takes office. That would be Jan. 3, 1955.

Summerfield maintains Nevada law provides that Brown stay in office for McCarran's full unexpired term.

Nickel Shower Now Only 75-100 Daily But Total 162,300

MOUNT PLEASANT, Mich. (U.P.)—It's been nearly four weeks now since Garry Moore television fans started sending nickels to Charles and Margaret Deibel in a nationwide campaign to make them rich.

The 26-year-old Deibels still don't dine on caviar or drive a gold-plated limousine. But since Sept. 11, the night Moore asked his television audience to send Mrs. Deibel a nickel apiece, the family bank account has grown by \$8,130—the equivalent of 162,300 nickels.

The flood of letters, which once poured in on the Deibels' modest home at the rate of 25,000 a day, has receded to 75 to 100 a day. Daily receipts have dropped from more than \$1,000 to about \$5 or \$10.

Now the Deibels are chiefly concerned with their potential income tax and the letters and calls from people all over the country who want to share their nickel bonanza.

"Some people have asked us to send them up to \$5,000," Mrs. Deibel said.

"We were told we'd get all sorts of strange requests and were advised to ignore them. So that's what we've done."

Mrs. Deibel says Moore has advised them they may not be taxed at all since each coin they received was a small personal gift.

Internal Revenue Service officials in Detroit say they'll have to study all angles of the case before they decide whether Uncle Sam will demand a share of the Deibel nickels.

From whatever is left, Mrs. Deibel expects to buy the electric organ she's always wanted and her husband a camera and slide projector. The rest will go toward the education of their two children, a 2½-year-old son and a 6-month-old daughter.

Meanwhile, Deibel is still working as an electric appliance salesman.

Lutherans Meet. Consider Plan For Pyramid Controls

By GEORGE W. CORNELL

TORONTO (U.P.)—A vast program for pyramid controls within the United Lutheran Church in America was over its first major hurdle today. But the controversial plan faced extended debate in the church's 19th biennial convention under way here.

Convention delegates began considering the proposals point by point after blocking a move to scrap the whole plan for the time being.

Opposition to convention action on the program, described as "the most momentous in the history of the church," developed Wednesday night in a motion by the Rev. J. J. Scherer of Richmond, Va.

He advocated turning the entire 118-point plan back to a committee for another two-year study, declaring that on a matter "so vital," more time is needed to "study, think and pray."

But the Rev. W. Carl Satri, Toledo, Ohio, who heads the commission which drew up the plan and sent it to delegates two months ago, called this an effort to "stymie and gag" the convention at the beginning.

Pastor Satri told delegates they would "be the most frustrated body of men and women in the world" if they had to go home and say they did not even discuss the proposals.

He said the program, aimed at laying down lines of supervision over the church's now-disconnected and independent agencies, put before the denomination the "most momentous" action in its 36-year life.

The church has more than 2,150,000 members, chiefly in the United States but also in Canada. It is America's biggest Lutheran body.

SELF-SERVICE SURPRISE

ANNVILLE, Pa. — Miss Barbara M. Grosky of Anville, suffered a chilling experience while trying to get ice from a self-service dispensing machine.

Instead of ice coming down the chute when she deposited her quarter, a cold hand appeared and beckoned to her.

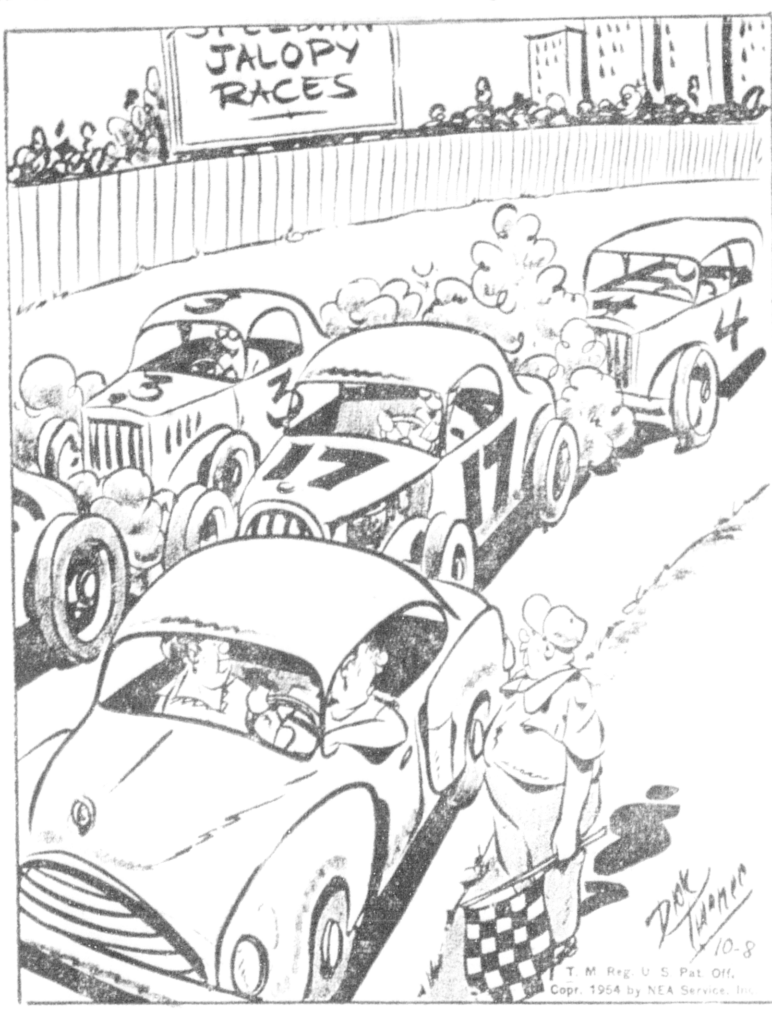

Miss Grosky, a bit unnerved, ran to a nearby service station where keys for the machine were kept and then watched a service attendant open the ice-dispenser.

Inside was Ralph W. Hoppie of Anville, who was repairing the big machine when its door swung shut, trapping him.

New Floor Care Ends Waxing

One of the most difficult jobs of housekeeping is to keep linoleum and asphalt tile floors waxed and gleaming. Now thanks to Glaxo, it is no longer necessary to wax and scrub. All you do is apply Glaxo with a brush about twice a year. It maintains a high lustrous non slip coating that seals out dirt. Glaxo dries in one hour and is water clear. It's cheaper than wax in the long run, besides saving a terrific amount of work plus truly a beautiful floor. Glaxo is available at Bomke Hardware Co.

Name Schumann Water Manager At Carrollton

CARROLLTON — Edward Schumann was appointed water commissioner for the city of Carrollton at the regular meeting of the City Council Tuesday evening. Schumann succeeds Arthur Walter, who resigned as water commissioner as he did not have the necessary time to devote to the work under the new plans and continue with his work as parts man at Simpson Motor Company.

Schumann began his work this month and as of Oct. 1 all users of city water will receive their bills monthly instead of quarterly as in the past. Schumann will also take over more of the mechanical work involved in the care and installation of water meters and other types of work which have been assigned to him as water commissioner.

Secretaries Plan Tea October 24

The College City Chapter of National Secretaries Association met Wednesday evening at 7:30 p.m. at the Dunlap Hotel.

Before the meeting refreshments were served to the members by Helen Evans and Grace McFarland. The session was opened by president, Paula Hudson. A letter was read concerning the regional meeting in Chicago at the Sherman Hotel on Oct. 29th to 31. A discussion followed and several expressed a desire to be present.

A bake sale was planned for Saturday afternoon, November 20th. All members were urged to participate.

The girls were reminded to the tea to be given October 24th. Final arrangements were discussed and committee reports given.

The next meeting will be Wednesday, November 3rd, 1954.

Interpreting The News

By J. M. ROBERTS
Associated Press News Analyst

The United States has persuaded the Chinese Nationalists to cease their daily bombardments of Red installations in the Amoy neighborhood to prevent a possible brush involving Seventh Fleet air power.

There has been much nervousness over the possibility that Nationalist air raids would attract retaliation, from which the Reds have held off so far. The fleet,

with its orders to defend Formosa, would be in the middle in such case, facing decision as to whether the attacks were merely retaliatory or a prelude to an invasion attempt, and all sorts of complications.

First the Reds shelled Quemoy Island. The Nationalists responded with air attacks on Red shipping and installations. The Reds had massed a fleet of invasion junks which the Nationalists claim to have damaged severely.

The Nationalists sincerely believed that the massing and the Quemoy shelling preceeded an invasion of that island. For a month they demonstrated what they would do in defense. The United States apparently decided the demonstration was sufficient, and that its continuance was too dangerous. Dependent on America for its arms, the Nationalists cannot ignore such a decision.

There are heartening angles in the fact the attacks have occurred. The possibility of an immediate Red assault on Quemoy seems to have been lessened, although the Nationalists still believe it will come as an interim demonstration to back up Red propaganda that they certainly do intend to take Formosa at the right time.

Better than that, though, is the restraint showed by the Reds, indicating they are just as anxious to risk another brush with the United States as America is to avoid it.

Whether this restraint will last beyond the time when sufficient Red forces have been built up to give them a chance of victory remains to be seen.

WAVERLY

WAVERLY—Mr. and Mrs. Clarence Stewart and children spent Saturday and Sunday with her mother, Mrs. Moffett at Canton.

DIFFERENT KIND OF CONDON

CHARLESTON, S. C. (AP)—Irish-descended William F. Condon, president of a prosperous Charleston department store, reported visiting a West Cork, Ireland, bar room looking for relatives.

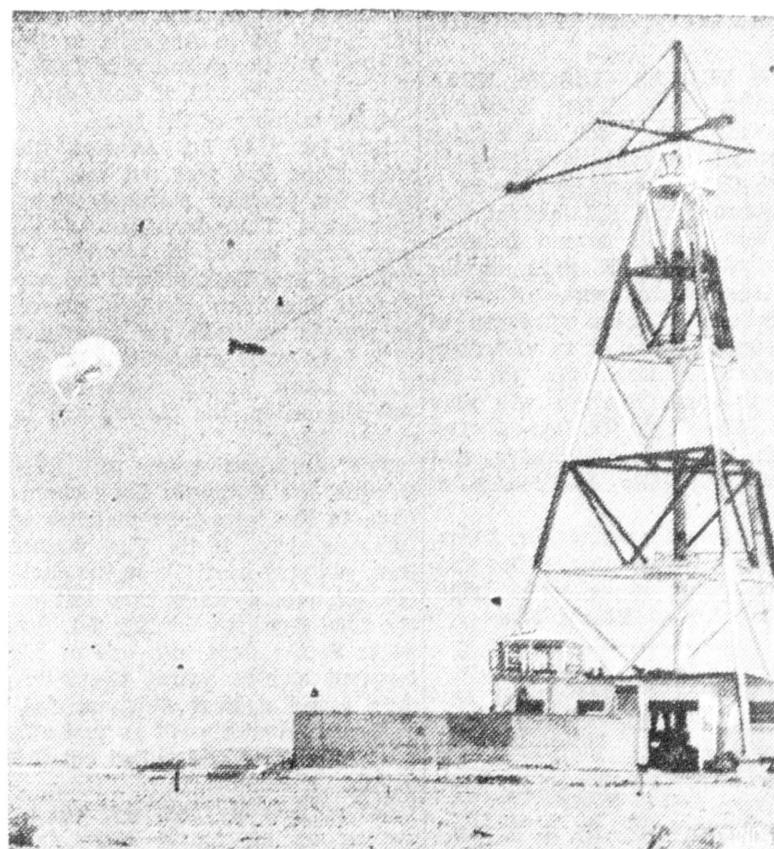

Bar keep Willie Condon first gave him the cold shoulder because he thought this was another poor relation looking for a handout, Condon said.

"Another Condon!" he quoted Willie as exclaiming. "They're coming from England, Scotland and even France because they've heard I've inherited a lot of money."

When Willie found he had adequate means of his own, Condon said, refreshments were on the house.

National League Rides High But Minors Face Serious Situation

Cubs Purchase Two Players From Des Moines

CHICAGO (AP)—The Chicago Cubs Thursday bought a Western League all-star shortstop and an outfielder from the Western's fastest runner from their Des Moines, Ia., affiliate.

The shortstop is Ed Wincenak, 25, who batted .282, collecting 31 doubles, in his first season since 1950. Wincenak was in military service in 1951 and 1952 and stayed out of baseball in 1953. He was with Visalia of the California League in 1949 and with Rock Hill of the Tri-State League in 1950.

The outfielder is Solly Drake, 23, who broke his collar-bone trying a diving catch early last season, but after a month's idleness came back to bat .282. Drake, Negro, speedster who has been a pro only two seasons, won by three yards in a special 100-yard race to determine the fastest Western League player late this year.

Ray Robinson Begins Workouts, May Fight Again

NEW YORK (AP)—George Gainford, manager of Ray Sugar Robinson when he held the world welter and middleweight titles said Thursday the former champion had started workouts and was considering a possible return to the ring.

Robinson retired in 1952. Gainford said that the former champion, who has switched to the stage as a dancer, had been doing road work here for some time and had rented a camp at Greenwood Lake, N. J., as a training camp, starting Monday.

"Sugar and I want to make a tour of the world with our own show," Gainford explained, "and we figure it will take a quarter of a million dollars to arrange that—hiring singers, dancers and an orchestra. We don't have that kind of money and we don't want to go into debt for it."

"There is only one way to get the cash and that is for Sugar to fight again. The same guys he licked when he was active in the ring still are fighting. We can whip them again."

Gainford said that Robinson was in good health, weighed 156 pounds and had perfect co-ordination.

FAN BREEZES

BY BILL MERRIS

Even though the football season is reaching its halfway point baseball remains in the news with its "trade talks" and "who's moving where" rumors. Since the second division (swelling Boston Brave picked up and settled in the red-hot town of Milwaukee every club in the majors has been looking around to see if maybe the grass is greener elsewhere.

The strongest rumor being the possible moving of the Philadelphia Athletics to Kansas City. It looks like a shift will take place before next spring but the A's shouldn't expect to have the same luck the Braves enjoyed. It will be more like the Browns shift to Baltimore. A loser is a loser regardless of where they play their game.

If they aren't making a move they are keeping the circuits hot with trade talks. General Manager Dick Meyer of the Cardinals announced yesterday he would trade any member of Cardinal for front line pitching. That's saying a lot when he says "any member."

The Cardinals have the best trading material of any club in either league. Wally Moon's name was mentioned in Cub trade talks but they doubt if they made the "back of the year."

The Braves want a left handed outfielder from the Cardinals and this could be Stan Musial. If he goes you can bet he will bring more than one front line pitcher. Red Schoendienst is also mentioned in the Braves' rumors. Either should bring plenty of pitching help although we expect Jablonski and Hemus to go before the "two old pros" get traveling orders.

The Cardinals aren't the only ones keeping a close watch on the best trading material of any club in either league. How- ever it seems August A. Busch isn't going to stand for a six place ball club and some changes are definitely in the making. The Dodgers are another club that must look to the future. Pellos like Cox and Robinson could be had but they won't bring near the price they would last year. Unless they put Snider, Hodges or Furillo on the block the Brooks don't have too much to offer.

Two other National League clubs who are certain to make some changes are the Phillies and the Cubs. Ralph Kiner can be had and probably will. The Cubs need a couple outfielders who can field, as well as a hit and a catcher. Even though the Cubs need pitching help they will probably let Bob Rush go. If they do, he will undoubtedly be a star as he has all the tools. The Phillies need power and will have to give up a top pitcher to get what they want.

Ye, this winter the players on all clubs will be checking the papers daily in anticipation of their playing elsewhere next spring. This should not only be the busiest trading season but it will probably be the biggest as far as big name players are concerned. It will probably be a winter of "star for star trading."

Meredosia Whips Franklin 3-6

MEREDOSIA—Special—Franklin jumped off to a six point lead in the second period but the host Meredosians came back to score a TD in the fourth quarter to defeat the Flashies 8-6 in the combination eight-eleven man game on the Dosh field last night.

Charles Smith scored the first touchdown of the game in the second period when the Franklin half-back plunked over from the three yard line to give the Flashies a 6-0 lead. The Indians scored a safety before the half ended when Nunn and Goulet tackled Hart behind the Franklin goal line. The score at halftime was 6-2.

Neither team scored in the third quarter as both clubs played good defensive ball. Dosh came back to push a TD across in the final quarter to give them the winning margin. Gordies went over from the seven yard line for the Indian score.

The final scoring threat came when Franklin carried the ball to within the five yard line with about one minute to go but the Dosh line held and the Indians came out on top 8-6.

CRIMES FOILED

CLIFTON FORGE, Va. (AP)—Cashier Curtis M. Brown thwarted two daring attempts to rob the First National Bank here but says he can't be certain that the two would-be robbers were the same.

The first time Brown pulled a small hand from a fishbowl filled with pennies in the lobby and told the five-year-old owner to "scram." Shortly afterward he gave another robber the heave-ho, but this one was wearing a blue handkerchief mask.

Accent On Youth As Illini Host Ohio State Tomorrow

JACK CHAMBLIN
Illinois Center

CHAMPAIGN, Ill., Oct. 7.—With accent on a "youth movement" after losses in first two 1954 games, Illinois' football team opens its Big Ten schedule against tough Ohio State in Memorial Stadium Saturday afternoon. A sellout crowd of 71,119 is expected for the "T" Man's Day attraction.

Three "first time" starters have been nominated by Coach Ray Eliot of the Illini—Hiles Stout, Peoria sophomore, at quarterback, and Rudy Siebert, Pana junior and John Greiner, Bloomington sophomore, at tackles. In addition, Abe Woodson will return to the right half-back spot after a one-week layoff because of injury. He replaces left-tackle "Mickey" Bates, who dropped to the second team.

Remainder of the starting lineup will be unchanged from last week's engagement at Stanford. Jack Chamblin, center, Camp Jon Smith and Wally Vermaas, guards, and Dean Reun and Charles Butler, ends, all have retained first team status.

Promotion of Stout to the first team indicates that fans may see more aerial fireworks from the Illini, since the Peoria youngster is rated number one passer among Eliot's quarterbacks. He'll have a trio of backs who are noted as capable receivers—plus speedy Dean Reun and tall Charlie Butler at whom to throw.

Of the four players who were dropped from the first team Monday, the two backs are mostly likely to see extended action this week. Quarterback Em Lindbeck and halfback "Mickey" Bates, both of Kewanee, have definite capabilities which Eliot is anxious to utilize.

Physical condition of the squad still is poor. Halfback Harry Jeffers is the latest loss, having suffered a bruised jaw in a physical education class. He will not play this week. Guard Paul Furmisky is not available, and Farms George Walsh isn't ready for extended contact, although he has rejoined the squad and has participated in light workouts. Several other players will be handicapped by minor injuries.

In Ohio State, Illini face a very experienced unit with depth at every position. The Buckeyes still are smarting from a 41-20 upset licking administered by Illini at Columbus last fall and will be out for revenge.

Coach "Woody" Hayes' 1954 squad has been described by Illini scout Leo Johnson as the "finest best-balanced Ohio State team I have ever seen."

None of the trio, Determine, Hasty Road and High Gun, was able to establish a clear cut claim to the championship in subsequent racing.

The situation prompted Pimlico to change its special from an open event, which it had been since 1949.

About nine others besides Determine, Hasty Road and High Gun are to receive invitations.

The other: East—Penn over Princeton, Yale over Columbia, Boston College over VMI.

South—Alabama over Tulsa, Auburn over Kentucky, Tennessee over Chattanooga.

Midwest—Southern Methodist over Missouri, Kansas over Iowa State, Michigan State over Indiana, Minnesota over Northwestern, Nebraska over Kansas State, Cincinnati over Marquette, Dayton over Louisville.

Southwest—Baylor over Arkansas, Houston over Texas A&M, Oklahoma A&M over Wichita.

Far West—Colorado over Arizona, California over Oregon, Stanford over Navy, Washington State over Oregon State.

Tony Holquin Wins Illinois PGA Match-Play Meet

CHICAGO (AP)—Tony Holquin of Midlothian Thursday defeated veteran Al Hulse, another Chicago pro of Glen Oaks, 1 up in the 18-hole finals of the Illinois PGA match-play tournament.

Holquin reached the afternoon finals by eliminating Chuck Macchalek 4 and 3 in the semifinals. Hulse advanced with a 3 and 1 victory over young Darrell Hickok of Joliet.

Hulse was 3 up on the 14th tee in his match with Hickok, but the one-time Californian who grew up with Gene Littler and Bud Holcher won the next two holes.

Hulse parred the 16th for a 2 up margin again and closed it out with a half on the short 17th.

Williams' Suit May Be Settled Out Of Court

MIAMI, Fla. (AP)—The separate maintenance suit against Ted Williams, retired Boston Red Sox outfielder, by his wife, Doris, may be settled out of court.

"There is a good chance the financial differences might be ironed out and the entire affair settled," Mrs. Williams' attorney, L. Earl Curry, said Friday.

But this doesn't mean the couple will go back together. At her home in Perrine, Fla., today, Mrs. Williams said "absolutely not. I haven't seen him since January."

Mrs. Williams sued for separate maintenance, a property settlement and custody of their daughter, Barbara Joyce, 6. She is not asking a divorce.

Showdown Race For 3-Year-Olds At Pimlico

BALTIMORE (AP)—Pimlico proposed Thursday to turn its special this year into a showdown race for the championship of the 3-year-old division.

It will invite only 3-year-olds to be the mile and three sixteenth race on Nov. 20 and hopes the contenders for the year's title will accept.

The championship is not settled yet, mostly because three different thoroughbreds won a leg of the triple crown, the Kentucky Derby, Preakness and Belmont.

None of the trio, Determine, Hasty Road and High Gun, was able to establish a clear cut claim to the championship in subsequent racing.

The situation prompted Pimlico to change its special from an open event, which it had been since 1949.

About nine others besides Determine, Hasty Road and High Gun are to receive invitations.

The other: East—Penn over Princeton, Yale over Columbia, Boston College over VMI.

South—Alabama over Tulsa, Auburn over Kentucky, Tennessee over Chattanooga.

Midwest—Southern Methodist over Missouri, Kansas over Iowa State, Michigan State over Indiana, Minnesota over Northwestern, Nebraska over Kansas State, Cincinnati over Marquette, Dayton over Louisville.

Southwest—Baylor over Arkansas, Houston over Texas A&M, Oklahoma A&M over Wichita.

Far West—Colorado over Arizona, California over Oregon, Stanford over Navy, Washington State over Oregon State.

Raiders Invade Routt While Jaxs Hit Road; IC, ISD Play Saturday

All four local football teams swing into action this weekend with the Routt Rockets and Jacksonville Crimsons playing tonight while the I. S. D. Tigers play host to Staunton and the Illinois College Blueboys traveling to Principia for a Prairie Conference battle tomorrow afternoon.

Tonight's Routt-Arenzville game on the Jacksonville high field will be a PMBC Conference affair. The Rockets have a record of two wins and one tie while visiting Arenzville possesses a one and one mark. Coach Jim Smartjesse's boys have defeated Meredosia and Virginia and played Chapin to a 20-20 tie. The Arenzville Raiders were defeated by Bluffs in their opener and came back to defeat Chandlerville 48-20.

Coach Smartjesse has made one change in his starting lineup for tonight's game. George Dee will move into the left half position in offense while Flynn and Doolin take over in the backfield on defense. Dowling and Woodson will be at the ends with Jerry Lewis and Jim Cosgriff at guards and captain Dick Lewis at center.

Game time for the PMBC battle will be 8:00 at the J. H. S. athletic field.

While the Rockets play the Crimsons' field the J. H. S. boys travel to Beardstown for a 7-45 battle with the boys from Cass county. The Crimsons got going last week as they handed Carlville a 12-7 loss after being Pittsfield in the season's opener and losing to Macomb 15-7 in their second game of the year.

Coach Kraushaar has been plagued with injuries this past week as several of his key players were shaken up in the Carlville game. However all will be ready for at least part time duty tonight.

The starting lineup will remain about the same with Hudson and Knight at the flanker position, Woodward and Marquard at tackles, Hill and Preather at guards and Roegge at center. Billy Lewis will again direct the Crimsons from the tee with Teier, Dawson and Scott at the half back positions and Dyer at fullback.

The game will be played on the Beardstown high field. Game time 7:45.

Waverly Cops County Grade Softball Tourney

Coach John West's Waverly grade school softball team defeated Murrayville 28-3 to take first place in the Morgan County grade school softball tournament at Waverly last night.

The winning Waverly club scored 21 runs in the final inning as the Murrayville hurler issued 13 walks while his teammates found the ball not to handle.

The Murrayville team played without its regular pitcher. Patro broke his arm yesterday morning in a physical education class at the school. Bodwell was the winning pitcher and J. Baker was the loser.

North Jacksonville copped third in the annual meet as they defeated Meredosia-Chambersburg 22-15. Henderson, Nunes and Hynes homered for the winners while Edlen hit one for the losers. Nunes was the winning hurler.

In the morning's semifinal game, Waverly defeated North Jacksonville 11-6. Bodwell also was the winning pitcher in the morning game while Henderson took the loss.

Three trophies were awarded the top three finishers while the Waverly club received the Wilfrid Rice traveling trophy for the second year in a row.

Consolation game:
North Jacksonville 22 18 0
Meredosia 15 12 0

Finals:
Waverly 28 3 2
North Jacksonville 3 6 10 of athletics.

28 Giants Receive Record Shares For Winning Title

NEW YORK (AP)—Twenty-eight players on the New York Giants plus their trainer and their clubhouse attendant received a record \$114,700 each for winning the World Series.

Baseball Commissioner Ford Frick announced the breakdown Thursday for 327 players and club personnel on eight teams who participated in the all-time high in World Series money.

A full Giant's share was \$2,867.22 more than the previous record payoff to the New York Yankees in 1953. It was \$4,435.40 more than a full share of the losing Cleveland Indians.

The Cleveland share was \$6,712.50 each, a record for a loser. The Indians got their melon into 35 shares, 34 full shares, 1 half share and 4 quarter shares and also gave out \$8,600 in cash. The Giants divided 32 1-6 shares 30 full shares, 3 half shares and 2 one-third shares and doled out \$11,750 in gifts.

In all the players' share of the total world series receipts was a record of \$881,763.72, including \$83,000 for a pre-game television program. The previous high was \$691,941.61 last year.

The players get 60 per cent of the receipts of the first four games. Of this 70 per cent goes to the participating teams, 15 per cent to the teams which finished second, 10 per cent to the third place team and 5 per cent to the fourth place finishers.

The second place Brooklyn Dodgers gave 21 1/4 shares worth \$2,103.43 each. The second place Yankees gave 35 5-12 shares worth \$1,768.43 each.

The third place Milwaukee Braves gave 36 full shares, each worth \$11,224.61 each and were divided among 46 players and personnel.

On the third place Chicago White Sox, 36 shares were worth \$1,224.61 each and were divided among 46 players and personnel.

New York Bond Market

NEW YORK (P)—The Bond Market held to a narrow groove Thursday in desultory dealings. Price changes rarely extended beyond two points either way and the most part were held to rations. Rains showed the greatest strength, utilities the greatest weakness.

Long-term U. S. Treasury bonds were steady to a shade higher. The Bank-Eligible and Victory Loan 2½s were unchanged over the counter at 99 30-32 bid, while the 30-year 3½s were bid 8-32 higher at 111.

German, Japanese and Chilean bonds held firm in the foreign dollar group.

Bond sales on the New York Stock Exchange slumped to \$2,145,000 par value from the previous day's \$2,880,000.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (P)—The \$19.00 hog market was steady to the livestock market Thursday as butchers held 25 to 40 cents and sows 25 to 50 cents. Top price was \$18.85, the lowest top since Jan. 2, 1953.

Salable receipts totaled 9,000 head. Most 190 to 280 pound butchers sold at \$18.60 to \$18.75 with 160 to 180 pounders \$18.00 to \$18.50. Sows sold from \$15.50 to \$18.00.

Steers sold steady to weak while heifers were steady to strong. There were only 2,000 salable head. Choice to low prime steers and yearlings moved at \$24.00 to \$26.25, the top, with high commercial and good grades \$19.00 to \$23.00. Good and choice heifers brought \$20.00 to \$23.50.

Cows held steady at \$9.00 to \$13.50 for utility and commercial and \$6.50 to \$9.50 for canners and cutters. Vealers also were steady, good and choice kinds bringing \$17.00 to \$23.00.

Salable sheep receipts totaled 1,500. Lambs held steady at \$17.00 to \$19.00 for good and choice woolled types and \$15.50 to \$20.00 for a few choice and prime.

ALL GRAIN PRICES UP EXCEPT WHEAT

By WILLIAM FERRIS

CHICAGO (P)—All grains except wheat advanced on the Board of Trade Thursday, in several cases closing at the day's top quotations. After a very dull early trade, distinguished mainly by a lack of selling pressure, the trading pace picked up a little speed toward the finish. Demand shifted from one cereal to another but by-passed wheat.

Wheat closed 3/4 lower to 3/8 higher, corn 1 1/4-1 1/2 higher, oats 3/4-1 1/2 higher, rye unchanged to 2 1/2 higher, soybeans 1 1/4-2 1/2 higher and lard 13 cents lower to 8 cents a hundred pounds higher.

Oats came ahead strongly on short covering in the last half hour. All months except May set new seasonal highs and May equalled its previous peak. Oats were aided by strength in the cash market, where prices gained 1/2 to 1 cent.

Also significant in the oats situation was the continued decline in Canadian prospects. A private forecast put the Alberta crop at 68 million bushels against the last government estimate of 96 million. The cash market also was a help to corn. Prices there were 3/4 to 1 cent higher. Of even more significance was the fact that no cash grain at all was purchased on a to-arrive basis. Booking Wednesday totaled only 15,000 bushels.

New York Stock Market

NEW YORK (P)—The stock market rocked along through a rather dull session Thursday enlivened only by strength in the steels, and closed a shade lower. Steels gathered their strength from favorable reports on a brighter business picture in the industry now emerging.

Gains of 1 to 2 points in the steels were frequent. There were scattered gains of like size in many other areas. Losses went to 1 and 2 points.

Just about every section had a mixture of gains and losses except the strong steels and the somewhat weak chemicals.

Five steels were in the list of 15 most active issues—U. S. Steel fifth up 1 to 59, Armco Steel ninth up 1 1/2 at 56 1/2, Pittsburgh Steel 12th up 1 1/2 at 20, Bethlehem Steel 13th up 1 1/2 at 20, and Granite City Steel 15th up 1 1/2 to 19 1/2.

The Associated Press average of 60 stocks lost 10 cents at 357.50. That is 10 cents under the 25-year peak reached Tuesday and maintained on Wednesday. The industrial component of the average was down 50 cents, railroads managed to add 10 cents, and utilities remained unchanged. Volume, too, ebbed to 1,810,000 shares as compared with Wednesday's 2,570,000 shares.

Many oils were strong on the American Stock Exchange with prices mixed to a little higher. Volume came to only 660,000 shares as compared with 850,000 shares traded Wednesday.

Rep. Preston Named Stockholder In FHA Project

WASHINGTON (P)—Rep. Prince H. Preston (D - Ga.) was described to Senate investigators today as a hidden stockholder in a firm which netted \$143,000 on an initial investment of \$7,000 in a government-insured housing project.

William A. Bowen, mayor of Statesboro, Ga., Preston's home town, testified that he held for the congressman a one-third interest in Bowen-Sundy Enterprises, which obtained an FHA-insured mortgage for construction of the Nelson Apartments in Savannah, Ga., in 1950.

When the project was almost completed, Bowen told the Senate Banking Committee, Bowen-Sundy Enterprises sold its stock to Byrd Worrell, the construction company, for \$150,000.

He reported that Preston, James L. Sundry and himself each received a net profit of about \$47,600 on individual investments approximating \$2,333.

Anticipating Bowen's testimony, Preston said in Statesboro Thursday night that the investigating committee, headed by Sen. Capehart (R-Ind.) was trying "to make political capital on the eve of the election of a legitimate business enterprise."

In another development before the committee, Internal Revenue Commissioner T. Coleman Andrews announced the government intends to assess additional taxes against multimillion-dollar "windfall" profits made by promoters of many postwar housing projects.

He informed the senators that, "Without disclosing exactly what we propose to do, we think there are aspects of all these cases that give us better than a fighting chance to get at this income."

Indict Lattimore For False Oath On Red Connections

WASHINGTON (P)—A federal grand jury Thursday accused Owen Lattimore of falsely denying under oath that he had been "a follower of the Communist line" and a "promoter of Communist interests."

The controversial Far Eastern affairs specialist promptly issued a statement saying he always has been a loyal American who followed the "dictates of my own conscience and not the commands of any foreign system."

The new two-count indictment was obtained by the government after the courts voided the cornerstone count of an earlier indictment. This alleged Lattimore swore falsely when he told the Senate Internal Security subcommittee he had never been a sympathizer or any other kind of promoter of communism or Red interests.

Nowhere in the new indictment did the word "sympathizer" appear. The U. S. Court of Appeals in a decision last July said this word, as used in the earlier indictment, was too vague.

U. S. Atty. Leo A. Rover told reporters he will move later to consolidate the new indictment with the five remaining counts of the original true bill.

Lattimore said in a statement the new indictment "attempts to create the impression that I said a lot of things which I did not say." He added:

"But more important, this indictment lays bare the fact that this prosecution is a direct and immediate threat to anyone and everyone who has ever written or spoken of foreign affairs and whom the government chooses to attack for political reasons."

Roman forces occupied Britain for nearly 400 years early in the Christian era.

Knox Probes Beer Drinking Contest Followed By Wreck

GALESBURG, Ill. (P)—Knox College authorities are investigating a student beer drinking contest after which two students were killed in an auto accident.

School officials said no details would be divulged until some specific action is taken. Top college administrative officials, a faculty committee, representatives of two fraternities and the Parents Assn. of Knox College met Wednesday night to discuss the contest.

Four members of the Beta Theta Pi fraternity competed with four members of Phi Delta Theta in the contest Saturday. Forty quarts of beer were reported to have been consumed.

Two members of Beta Theta Pi were killed later in the accident. They were Joe Burke Elliott, 20, of Kewanee, and John R. Spurlin, 20, of Park Ridge. William Anzalone, 22, of Chicago, was critically injured.

The Knox County state's attorney, William H. Small, and a coroner's jury also are investigating the deaths.

No Immediate Threat From Hurricane Hazel

MIAMI, Fla. (P)—The island of Aruba off the northern coast of Venezuela escaped damage from hurricane Hazel Thursday as the center of the 115-mile-an-hour tropical storm passed about 60 miles north of that important Dutch possession.

As it passed Aruba, the hurricane, still moving westward, headed out over a vast stretch of open waters of the Caribbean Sea. Norton said no threat to any other land area is expected "for a day or two."

A northerly turn in the storm's movement is possible after it reaches the longitude of Jamaica and eastern Cuba, about 500 miles from its present location.

MARION ANDERSON TO SING AT MET

NEW YORK (P)—The Metropolitan Opera said Thursday Marian Anderson, famous American Negro contralto, has been signed to sing in an opera this winter. First Negro singer ever to appear with a Metropolitan cast.

Rudolf Bing, Metropolitan general manager, said Miss Anderson will sing the role of "Ulrica," a Negro fortune teller, in Verdi's "The Masked Ball" early in January.

"I'm very happy," said Miss Anderson.

Heads Division

EDWARD H. GARLICH

Jewell A. Mann, general chairman of the Morgan County Community Chest fund raising campaign, announced Thursday that E. H. Garlich, Morgan County Farm Adviser will head the County Division of the drive.

The County residents will be contacted by mail this year.

"The response last year was wonderful," Mr. Garlich stated, "and I know that we can count on our rural people again this year since they realize how much the Chest directly benefits them. Nearly every family has someone who enjoys the YMCA, Catholic Youth Center, or who are in Scouting. In addition their contributions go to the Salvation Army, Traveler's Aid, Community Council, and the Heart Association."

The goal for the County Division is \$1840.

Hillview Woman Named District PTA Director

CARROLLTON — Mrs. Thomas Page of Hillview was elected director from District 13 of the Illinois Congress of Parents and Teachers at the 33rd annual conference held Tuesday afternoon and evening in the local Presbyterian church. The theme of the Conference was "Opportunity is Knocking."

Guest speakers were Mrs. Melvin Lockard, president of the Illinois Congress of Parents and Teachers; Mrs. David Thompson, program service chairman of the Illinois Congress of Parents and Teachers; Judge Jack Alford, Carrollton, county judge of Greene county; Mrs. Paul Vannier, editor of the Illinois Parent-Teacher; Mrs. William Sautman, office and staff chairman of the Illinois Congress of Parents and Teachers; and Ivan Garrison, director of special services, Jacksonville. A symposium on the topic, "Finding Our Opportunities," was held with Mrs. Paul B. Smith as leader.

Oliver L. McElrath, of Woodson, district director, presided during the afternoon and evening program and Mrs. Eva Wilson was the district secretary. Greetings were given by Mrs. Fred Burnham, assistant county superintendent of schools, and Olin H. Stead, superintendent of the Carrollton Community Unit. The invocation was given by the Rev. Elmer Satterlund of the Presbyterian church and the benediction by the Rev. Walter Pruett of the Methodist church.

Conference committee chairmen were Mrs. Everett Mehl, general arrangements; Mrs. Gene Roach, publicity; Mrs. C. E. Whitman, banquet; Harold Gibson, registration; Miss Lois Korty, music; Mrs. Vernice Edwards, exhibits; and Mrs. Donald Allen, decorations.

Countries included in the district 13 of the Illinois Congress of Parents and Teachers are Cass, Greene, Morgan and Scott.

10 Day Leave At Close Of Basic Training Course

Sgt. Ralph E. Graham, in charge of the local Air Force recruiting with offices in the post office building, announced Thursday that the young men of Morgan county and vicinity who enlist in the Air Force will now be given a ten-day "vacation" at the end of their basic training.

This delay en route as it is known in military terms, not to exceed ten days plus travel time, will be granted all basic military training graduates prior to service in the Air Force ROTC enlistees, upon the completion of basic training either at Lackland AFB, Texas or Samson AFB, New York.

The ten-day leave policy will become effective with classes graduating in December 1954. Those airmen graduating prior to the date of the policy will be granted ordinary leave at the end of their training.

Travel in private automobile will be authorized airmen having automobiles in their possession at the time of departure and also for those who can show evidence that such travel should be authorized in accordance with travel policies.

All others will be required to purchase tickets to their point of leave, and from there to their next station. They will be allowed to select their mode of travel.

Accrued pay and advance travel pay will be paid prior to departure from the basic training base.

Young men interested in further details of enlistment should call Sgt. Graham, Phone 2119.

NEW METAL RESISTS 1,400 DEGREES HEAT

LOS ANGELES (P)—Metals have been developed which would permit a plane to fly 7,000 miles an hour—a speed at which heat would crumple present-day aluminum craft.

This was disclosed Thursday by Spencer L. Shaw, a design specialist at Douglas Aircraft's El Segundo Division.

At 7,000 miles an hour, at an altitude of 40 miles, a plane's wings would heat up to 1,400 degrees, he said. Aluminum fails at 200 degrees.

But stainless steel and cobalt base alloys have been developed which will withstand 1,400 degrees, Shaw said in a talk prepared for a Society of Automotive Engineers meeting.

Jaycees Plan Benefit Projects For Fire Hall

WINCHESTER — At a recent meeting of the Winchester Jaycees plans were completed for two projects to raise money for a new fire hall for Winchester.

The first project will be a "Scotch-lie" Campaign to be held on the east side of the public square in Winchester.

When the Jaycees held their first "Scotch-lie" campaign last spring they applied Scotch-lie to 80 cars and at least that many more cars are expected to participate in the campaign this Saturday. The money from the first campaign went to put up three "Welcome" signs at each edge of the town. The money from the second campaign will go into a special fund marked "Fire Hall." The Jaycees have donated enough concrete blocks to build a complete new fire hall in Winchester. The hall is to house the city's two new fire engines and a seventeen hundred gallon tanker, used to haul water to rural fires.

On November 13, the Winchester Jaycees will sponsor a chili supper to be held at the Legion hall, with serving beginning at 11:00 a. m. until 2:00 p. m. and from 4:00 p. m. until 7:00 p. m. Chili and pies will be made by the Jaycees' wives and the Jaycees will do the serving. Tickets will sell for 50c and include one bowl of chili and one piece of pie. A second bowl of chili may be bought for 25c and pie for 15c. Coffee and soda pop will be served as drinks.

A door prize will be given away following the chili supper and the winner need not be present at the drawing since the purchase of a ticket entitles the buyer to a chance to win. The profits from this chili supper will also go into the fire hall fund.

Girl Scout Finance Drive Planned

The annual finance drive for the Girl Scouts of Scott county will begin Wednesday, October 13, under the leadership of George Roosa, who has accepted the chairmanship, with a "kickoff" meeting at the Roosa Restaurant at 9 a. m. Mrs. Mazy C. Rockwood will serve as treasurer for the scout drive. The purpose of the drive is to obtain sufficient funds for Scott county to maintain its official link with the National organization which makes Scouting possible. The money helps to pay the area staff salaries, pays the expenses of its area office and secretary, provides the staff car and maintains its upkeep, provides the books and all outfit-furnish in the area pays a heavy percentage of the cost of day camps, provides program and training personnel, handles registration and many other services too numerous to mention. Scott county is in the area which is composed of four counties, namely Morgan, Greene, Cass and Scott. Each county has its percentage of the budget to meet.

Scott county has a total of 75 Girl Scouts, 65 in Winchester and 10 in Bluffs and their share of the total area budget is \$867.00. At present, due to the fact that this budget has never been realized, there is not a full time field director as listed on the budget. Mrs. Johnson serves as field director for two days a week.

The Girl Scouts regular meeting place in Winchester has been made possible through the generosity of George Roosa who has donated for their use a room above his restaurant. Mrs. Roosa is assisting in the scouting activities by serving as leader for two different age groups of the scouts this year.

Mrs. Sherwood Eddy Speaks At Church Meeting

Mrs. Sherwood Eddy, Y. W. C. A. Worker and Lecturer, was the guest speaker at the general meeting of the Winchester Christian church C. W. F. meeting, held at the church, Wednesday evening, Mrs. Eddy spoke on the subject of "The Service Christian Women Have Given to the World and Their Part in the United Nations Program." She told many of her experiences abroad, especially in the Far East and how influential many women of other races have been in their Christian service to humanity.

During the brief business session preceding the meeting, announcement was made of the Morgan-Scott Missionary Convention to be held at Chapin, Oct. 11, beginning at 10 a. m., with a pot-luck dinner at noon.

Mrs. Robert Brown, service chairman, announced the following committees for the annual church supper to be held November 10 at the church: kitchen chairman, Mrs. Virginia Norman, co-chairman, Mrs. Robert Brown; dining room chairman, Mrs. Muri Hardy, co-chairman, Mrs. Frederick Robinson; dessert chairman, Mrs. Henry Corrie, co-chairman, Mrs. R. R. Jones; candy booth chairman, Eva Jo McDonald, co chairman, Judy Hellwell; country store chairman, Mrs. Leonard Plozman, co-chairman, Mrs. William Hubbert; tickets chairman, Mrs. Jesse Saffer and co-chairman, Mrs. Everett Patterson.

Special music was furnished by Mrs. Ruth Zetler and Miss Delores Kaelhert, who sang a duet with Miss Kaelhert accompanying on the accordion.

Following the meeting the group enjoyed a social hour and refreshments were served by the members of the Elizabeth Circle with Mrs. Nancy Schwab as chairman.

Date Set For X-Ray Unit

Mr. Harold Mercer, R.T., supervising X-ray technician of the division of tuberculosis control and Mrs. Freta Erickson, R.N., state health nurse, of Springfield, met with Mrs. Nola Coon, and Mrs. Lennis Williams, representatives of the Scott County Tuberculosis Association on Tuesday to make plans for the Mobile X-ray unit to be in Scott county the week of Nov. 30.

The unit will begin in Bluffs, Dec.

Scott county is in the area which is composed of four counties, namely Morgan, Greene, Cass and Scott. Each county has its percentage of the budget to meet.

Scott county has a total of 75 Girl Scouts, 65 in Winchester and 10 in Bluffs and their share of the total area budget is \$867.00. At present, due to the fact that this budget has never been realized, there is not a full time field director as listed on the budget. Mrs. Johnson serves as field director for two days a week.

The Girl Scouts regular meeting place in Winchester has been made possible through the generosity of George Roosa who has donated for their use a room above his restaurant. Mrs. Roosa is assisting in the scouting activities by serving as leader for two different age groups of the scouts this year.

Mrs. Sherwood Eddy Speaks At Church Meeting

Mrs. Sherwood Eddy, Y. W. C. A. Worker and Lecturer, was the guest speaker at the general meeting of the Winchester Christian church C. W. F. meeting, held at the church, Wednesday evening, Mrs. Eddy spoke on the subject of "The Service Christian Women Have Given to the World and Their Part in the United Nations Program." She told many of her experiences abroad, especially in the Far East and how influential many women of other races have been in their Christian service to humanity.

During the brief business session preceding the meeting, announcement was made of the Morgan-Scott Missionary Convention to be held at Chapin, Oct. 11, beginning at 10 a. m., with a pot-luck dinner at noon.

Mrs. Robert Brown, service chairman, announced the following committees for the annual church supper to be held November 10 at the church: kitchen chairman, Mrs. Virginia Norman, co-chairman, Mrs. Robert Brown; dining room chairman, Mrs. Muri Hardy, co-chairman, Mrs. Frederick Robinson; dessert chairman, Mrs. Henry Corrie, co-chairman, Mrs. R. R. Jones; candy booth chairman, Eva Jo McDonald, co chairman, Judy Hellwell; country store chairman, Mrs. Leonard Plozman, co-chairman, Mrs. William Hubbert; tickets chairman, Mrs. Jesse Saffer and co-chairman, Mrs. Everett Patterson.

Special music was furnished by Mrs. Ruth Zetler and Miss Delores Kaelhert, who sang a duet with Miss Kaelhert accompanying on the accordion.

Following the meeting the group enjoyed a social hour and refreshments were served by the members of the Elizabeth Circle with Mrs. Nancy Schwab as chairman.

Date Set For X-Ray Unit

Mr. Harold Mercer, R.T., supervising X-ray technician of the division of tuberculosis control and Mrs. Freta Erickson, R.N., state health nurse, of Springfield, met with Mrs. Nola Coon, and Mrs. Lennis Williams, representatives of the Scott County Tuberculosis Association on Tuesday to make plans for the Mobile X-ray unit to be in Scott county the week of Nov. 30.

The unit will begin in Bluffs, Dec.

WINCHESTER — At a recent meeting of the Winchester Jaycees plans were completed for two projects to raise money for a new fire hall for Winchester.

The first project will be a "Scotch-lie" Campaign to be held on the east side of the public square in Winchester.

When the Jaycees held their first "Scotch-lie" campaign last spring they applied Scotch-lie to 80 cars and at least that many more cars are expected to participate in the campaign this Saturday. The money from the first campaign went to put up three "Welcome" signs at each edge of the town. The money from the second campaign will go into a special fund marked "Fire Hall." The Jaycees have donated enough concrete blocks to build a complete new fire hall in Winchester. The hall is to house the city's two new fire engines and a seventeen hundred gallon tanker, used to haul water to rural fires.

On November 13, the Winchester Jaycees will sponsor a chili supper to be held at the Legion hall, with serving beginning at 11:00 a. m. until 2:00 p. m. and from 4:00 p. m. until 7:00 p. m. Chili and pies will be made by the Jaycees' wives and the Jaycees will do the serving. Tickets will sell for 50c and include one bowl of chili and one piece of pie. A second bowl of chili may be bought for 25c and pie for 15c. Coffee and soda pop will be served as drinks.

A door prize will be given away following the chili supper and the winner need not be present at the drawing since the purchase of a ticket entitles the buyer to a chance to win. The profits from this chili supper will also go into the fire hall fund.

Girl Scout Finance Drive Planned

The annual finance drive for the Girl Scouts of Scott county will begin Wednesday, October 13, under the leadership of George Roosa, who has accepted the chairmanship, with a "kickoff" meeting at the Roosa Restaurant at 9 a. m. Mrs. Mazy C. Rockwood will serve as treasurer for the scout drive. The purpose of the drive is to obtain sufficient funds for Scott county to maintain its official link with the National organization which makes Scouting possible. The money helps to pay the area staff salaries, pays the expenses of its area office and secretary, provides the staff car and maintains its upkeep, provides the books and all outfit-furnish in the area pays a heavy percentage of the cost of day camps, provides program and training personnel, handles registration and many other services too numerous to mention. Scott county is in the area which is composed of four counties, namely Morgan, Greene, Cass and Scott. Each county has its percentage of the budget to meet.

DO-IT-YOURSELF HOUSING—The "do-it-yourself" craze is creating a better life for thousands of Puerto Ricans now living in slum-type homes. The Commonwealth's government relocates slum dwellers on nearby subdivisions where water, lights and streets are provided. Each family gets a 300-square-meter lot. Then they move their modest homes onto the free plot of ground and in their spare time with the help of neighbors and local government, they build an entirely new one. For \$15 down, a family can start building its own \$300 "casita"—a small, reinforced concrete home. The government contributes up to \$150 of the cost of materials and supplies. Above, George Concepcion, 31, puts a few finishing touches on his new casita in Dorado, while his wife sweeps the porch. Their new home is a far cry from the shack, left, the family formerly occupied.

Fryers, Pork Loin Share Honors As Best Buys In Meat

By THE ASSOCIATED PRESS

Frying chickens and pork loin share the honors this week as the best buys in the meat departments of food stores over the nation. And if you're looking for bargains in food, bear in mind that eggs are really low these days.

Frying chickens will be down anywhere from a couple of cents to six cents a pound from a week ago in many stores. Production is up and supplies will be big for the rest of this year. In the whole-sale markets, broilers are selling at the lowest prices for this time of year since back in 1940.

A good number of markets will feature turkeys, too. Again it's a matter of near-record supplies on the farms.

The pork situation has shown considerable improvement lately—from the standpoint of the consumer, that is. Last spring's big pig crop is coming to market and wholesale prices are declining. That's why you'll find pork loin on the bargain counter this week. Pork chop prices are being trimmed, also.

Beef prices will be down in some areas and up in others. However, in some stores there'll be week-end feature prices on sirloin, porterhouse and other steaks. Lamb prices won't show much change from a week ago.

Some markets are reducing egg prices by as much as 10 to 12 cents a dozen this week, for eggs also are at 14-year-lows at wholesale. What's more, federal specialists believe eggs will continue to sell below year-ago levels at least until spring.

On the other hand, butter prices appear to be headed higher. At the top of the list of good buys in vegetables are cabbage, onions, potatoes, cauliflower, beets and peppers.

GARDENER'S CHOICE

OKLAHOMA CITY (AP)—Eight-year-old Ann Dexter decided she wanted her own flower garden this year and her parents, Mr. and Mrs. John Dexter, were happy to let their daughter go down to the store and pick out her own seed.

While helping her daughter clean out her flower bed this week, Dexter noticed some of the blooms on the plants looked peculiar. He checked further and found several cotton plants growing in the garden.

Ann couldn't explain how she got the cotton seed, but she's waiting anxiously now to harvest the crop.

JERSEYVILLE WILL HAVE SERVICES OF "LADY COBBLER"

JERSEYVILLE—Another "first" for Jerseyville and vicinity has been established by Mrs. Carrie Watts who conducts a shoe repair shop on West Arch Street and who is, so far as can be learned the first "lady cobbler" in this area.

Mrs. Watts, a 60-year-old widow, is continuing the business established by her husband, the late Fred Watts, who died August 3rd. She is not a stranger in the shoe business, as she worked for 15 years at the Jerseyville branch of the International Shoe Company before her marriage. During World War I when man power shortage became acute, Mrs. Watts returned to the local factory to train workers on the power machines.

Immediately following Mr. Watts' death his wife considered selling the business and advertised it, but in the meantime she kept the shop open and worked at the trade. Inquiries came from prospective buyers but either they were not ready for a cash sale or were not ready to close a deal immediately so that some time elapsed.

Mrs. Watts had time to think the matter over and decided to keep the shop and run it herself. "What really decided me," she stated, in speaking of her work, "was the fact that so many of my customers encouraged me by complimenting my work. My husband and I had made a comfortable living with the business, so I came to the conclusion it would be a good idea to carry it on."

PROFESSIONAL SLIPS

PORT HURON, Mich. (AP)—Miss Loretta Blackburn, cooking instructor at Port Huron High School, knows that even professionals sometimes make mistakes.

Practicing her art at home one day, she left some paraffin boiling on the stove while she went to the basement. Moments later firemen were summoned to put out a fire which badly scorched Miss Blackburn's kitchen and caused smoke damage throughout the house.

SHE'S PARTICULAR

HOLLYWOOD (AP)—Jeff Morrow took a friend's 7-year-old daughter to her home in the San Fernando Valley and was annoyed when the little girl insisted on stopping at two filling station rest rooms along the way.

Within just a few blocks of home, she asked Jeff to stop again. "My goodness, can't you wait to use your bathroom at home?" he asked. "I could," the youngster replied, "but our's isn't certified."

125 At Waverly Club Gathering: Local Man Speaks

WAVERLY—The Waverly Women's Club held its October meeting Friday, October 1, in the American Legion building. A potluck supper preceded the meeting.

Mrs. Winifred Strawn offered prayer before serving.

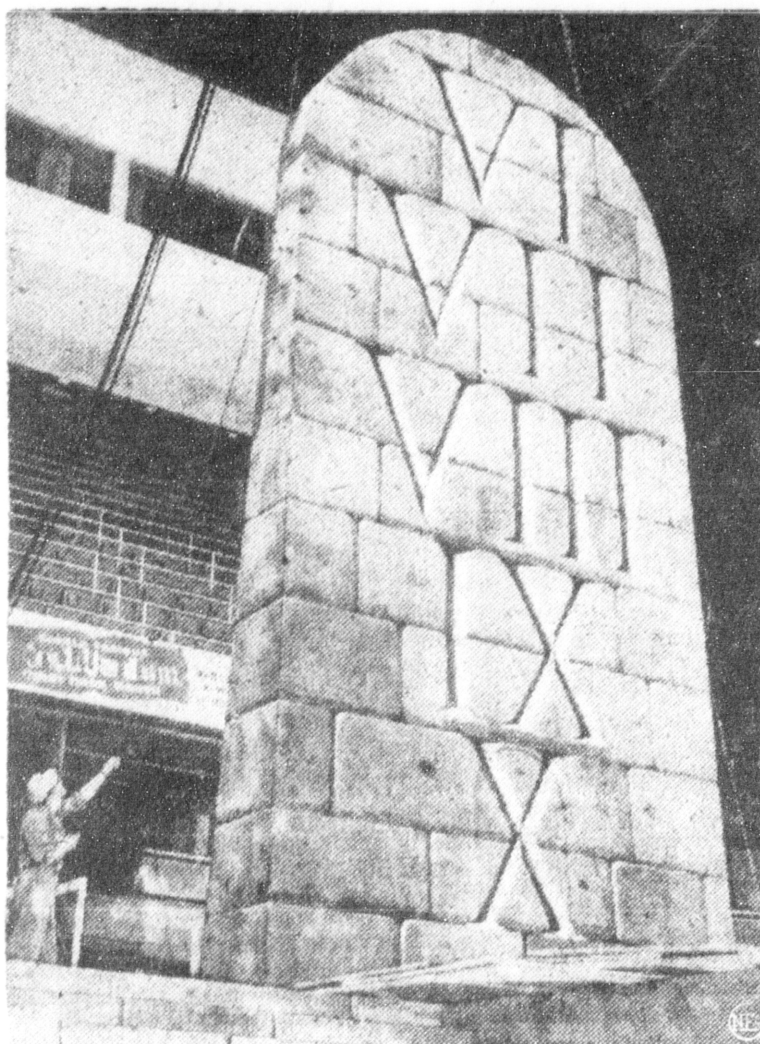

Mrs. Strawn, president, welcomed visitors and members and introduced Mrs. W. H. Jones who in turn presented O. A. Schuette of Jacksonville who conducted a two months trip through Europe this past summer. Mr. Schuette told of points of interest as the movie was shown. There were over 125 present. Two tour members from Waverly, Mrs. Mae Allen and Miss Olive Burnett, and about a dozen from Jacksonville and Mrs. A. E. Walters of Springfield composed the party.

Mr. and Mrs. Lindell Turner of Arizona are parents of a son born Tuesday Oct. 5. Mrs. Turner is the former Betty Hankins, daughter of Mr. and Mrs. Joseph Hankins.

Mrs. Elizabeth Tribble, Mrs. Mary Jean Mitchell and Mrs. Lola Stubbfield of the Waverly Eastern Star attended the tea at the Governor's Mansion Monday afternoon and the dinner dance that night. Others attending the dinner dance were Mr. and Mrs. Harvey Sanks, Mr. and Mrs. Harold Lowery, Mrs. Elsie Hankins, E. H. Wiese and Miss Dorothy Neece.

Waverly OES members attending Springfield Grand Chapter Tuesday, Oct. 5, were Mrs. Elizabeth Tribble, Mrs. Lola Stubbfield, Mrs. Marie Wiese, E. H. Wiese, Mrs. Ethel Lowery, Mrs. Mary Jean Mitchell, Mrs. Etta Mitchell, Miss Ruth Walters, Mrs. Thekla Deatherage, Mrs. Leona Sanks, Mr. and Mrs. Everett Turner of Waverly and Miss Dorothy Neece of Franklin.

ROODHOUSE SCHOOL CHILDREN COLLECT MONEY FOR BLIND

ROODHOUSE—Thirty-one school children, under the direction of Miss Mabel Hopkins, teacher in the Roodhouse school, collected \$123.62 Saturday during the annual Brotherhood Drive for the Blind.

Prizes were awarded to those turning the largest amounts. They went to: first, Terry Fry; second, Barbara Crafton; third, Paul Alred; fourth, Bobby Carmean; and fifth, Peggy Dawdy. Sixteen others received movie passes for turning in at least three dollars.

Mrs. C. C. Vandoren and Mrs. Clifford Newton have returned from Omaha, Neb., where they visited. They were accompanied home by Mrs. Gertrude Westergard, who is visiting in the home of a cousin, George L. Berry, and also at the Vandoren home.

LYNNVILLE CLASS TO HOLD MEETING 6:30 P.M. FRIDAY

The Adelpian class of the Lynnville Christian church will hold their regular meeting Friday at 6:30 p.m. at the church with a potluck supper. Mrs. Essie Cooper and Mrs. Freida Gunnels are in charge of arrangements.

Mrs. Claude Jewsbury will present the devotional period.

Mr. Henry Mason is in charge of the program. Members and friends are cordially invited to attend.

PERFECT FOR PRACTICE

MORRISTOWN, N.J. — If some would-be Paderewski next door is driving you mad practicing the piano, buy him a silent one.

The no-noise piano is the invention of Benjamin Franklin Meissner, the holder of some 150 patents in the musical-electronic field.

Meissner believes his silent piano—no strings—can be mass-produced for about \$250. It has 73 small spring steel reeds from which the music is picked up by earphones.

Cub Pack 109 Meet On October 1

On Oct. 1, Cub Pack 109 sponsored by the K of C held their first indoor Pack meeting. A picnic on Aug. 29 was held at Nichols Park.

Cubmaster Delbert Hayes opened the meeting. Francis Doolin, chairman, then conducted a short business meeting and introduced several new Cubs to be and their parents.

Mr. Doolin announced that Lawrence Quinlan was the program chairman for the month of October and the theme would be "Musical Hoedown." Each Den had prepared a skit and table display on the theme of "Gold Rush Days."

Mr. Kaufmann and Mr. Pagona judged the tables and awarded prizes to Den 6. Awards were given to the following boys: Gary McManus, Wolf award; 1 gold and 2 silver arrows on the Wolf award; Michael Ryan, Wolf award; 1 gold and 1 silver arrow on the Wolf award; Paul Bohan, 1 gold and 2 silver arrows on Wolf award; Terry Watts, 1 gold and 1 silver arrow on Wolf award; Den Mothers Mrs. Kay McGinnis, Mrs. Ellen Kennedy and Mrs. Frances Bossarte received year pins.

Refreshments were served by Den 2, Mrs. Kennedy Den Mother, and parents.

Vancil Temple To Be Sold; Cemetery Will Get Funds

WAVERLY—Vancil Temple, the picturesque country church two miles north of Modesto, probably will be wrecked or moved within a short time. Surmounted by a tall steeple, the church has been a landmark for three quarters of a century.

At a meeting Sunday at the church, attended by 40 persons interested in historical background of the building, three trustees were elected and empowered to sell the building in whatever manner they see fit, and to use the funds for the benefit of Pulliam cemetery nearby. The funds will be applied for cemetery use with a restriction that they are not to be used for maintenance, but for permanent improvements.

Mrs. Helen Wheeler, Reid Watts, and Warren Moffet were elected trustees.

All in attendance were descendants of the original 66 members of the church association. The only living member of the original group is Ezekial Watts of Beardstown, who was not able to attend.

Warren Moffet was elected chairman of the day.

The decision to wreck the landmark was reached because regular services are no longer held there, and because the building is in a bad state of repair.

A note of sadness prevailed at the session, all present realizing that the time has come to destroy a building that links the present with the past; that a structure in which pioneers worshipped, and which they worked hard to establish and maintain, will soon fade from the modern scene.

Toastmasters Club Entertains Guests

Presiding over the first meeting of his term of office, President Paul Barnes introduced guests, Les Brinegar, Herschel Logan, John Pruett Jr., Lynden Heaton, Lyle Woods, Thomas Glossop and Max Kreumacke Jr.

In an appropriate ceremony, Melvin Akers presented a past president's pin to retiring president Robert Werner.

Toastmaster Dr. J. Allen Biggs introduced Howard Brown who spoke on the subject "What Price Peace?" Severn Bruyn chose as his subject "Democracy and Race." Ted Fairburn acting as chairman of the impromptu program asked for impromptu speeches from John Hadden, George Delaney, Robert Werner and Alvin Otto. Melvin Akers speech, "Slithering Hope" entertained his audience.

Best speaker was voted to be Howard Brown.

Between 1909 and today, U. S. per capita consumption of eggs increased 40 per cent, green vegetables 60 per cent, citrus fruit and tomatoes 80 per cent.

FIRE FIGHTERS

CAMDEN, S. C. (P)—Women of South Carolina are taking to their sewing machines to help prevent woods fires.

They are making bright red flags to fly at schools when dryness makes the timber fire danger high, as a reminder and warning to passing motorists.

The project is sponsored by the State Federation of Women's Clubs, run in conjunction with the Keep South Carolina Green forest fire prevention program.

TYPHOON AFTERMATH—As soon as the roar died down from Japan's worst typhoon in many years, the residents started to repair the extensive damage. Above, people of the hard-hit town of Hakodate begin reconstruction of their wind-tossed homes, one of which is propped up by a single brace.

Clever Program On Aprons Given At Nortonville

The Nortonville Community club met Oct. 1 at the club hall with Mrs. Ernest Henry and Mrs. P. O. Francis as hostesses. There were 25 members and nine guests present.

The president, Mrs. Wendell Clausen conducted the meeting which opened with the song, "Battle Hymn of the Republic," followed by the pledge to the flag. Mrs. Henry read the preamble to the constitution. The president welcomed the new member, Mrs. Thomas Mulquin.

Program On Hats Shown Before 100 At Ashland Club

ASHLAND—The Ashland Woman's club opened the club season Monday, Oct. 4, in the library club room.

The president, Mrs. Seth Minter presided, leading in the pledge of allegiance to the flag. Mrs. J. H. Douglass gave a musical group of Stephen Foster's works.

Mrs. William Robinson introduced the speaker of the afternoon, Mrs. Earl Hanes of Mt. Vernon, Ill., who entertained almost 100 members and guests in a much enjoyed talk about "Your Hat and You," showing and modeling hats she had gathered, some dating back as far as the 1830's. She was greatly enjoyed because of her wit and comments on every hat shown.

Lioness Club Holds September Meeting

Jacksonville Lioness club held its September meeting at the Dunlap Hotel with Mrs. Floyd Sorrells presiding.

Lioness Murray led the club in the pledge to the flag. William Robinson gave the invocation and Lioness Henderson gave the Lioness Salute to the Flag. Tables were decorated by Lioness Mary Walters with chrysanthemums and autumn leaf arrangements.

Mrs. Earl Groisman and Mrs. Clifford were accepted as new members. Lioness Long and Hagan announced a Rummage Sale for Oct. 14 on Thursday.

Members were asked for equipment they might be willing to lend to the Altrusa club for their sick room project.

Birthday plants were awarded to Lioness Guy Matthews, Katz, Eades, Jones, Logue, Eberhardt, Purry and Ingels.

Lioness Katz presented Sylvia Ploner Gillespie in a program of vocal numbers. The "Donkey Serenade," "Lullaby for a Doll" and "Softly as in a Morning Sunrise." Mrs. Gillespie was accompanied by her aunt, Miss Maurine Self.

Following the program, members played Bunco, with prizes awarded to Lionesses Logue and Floreth.

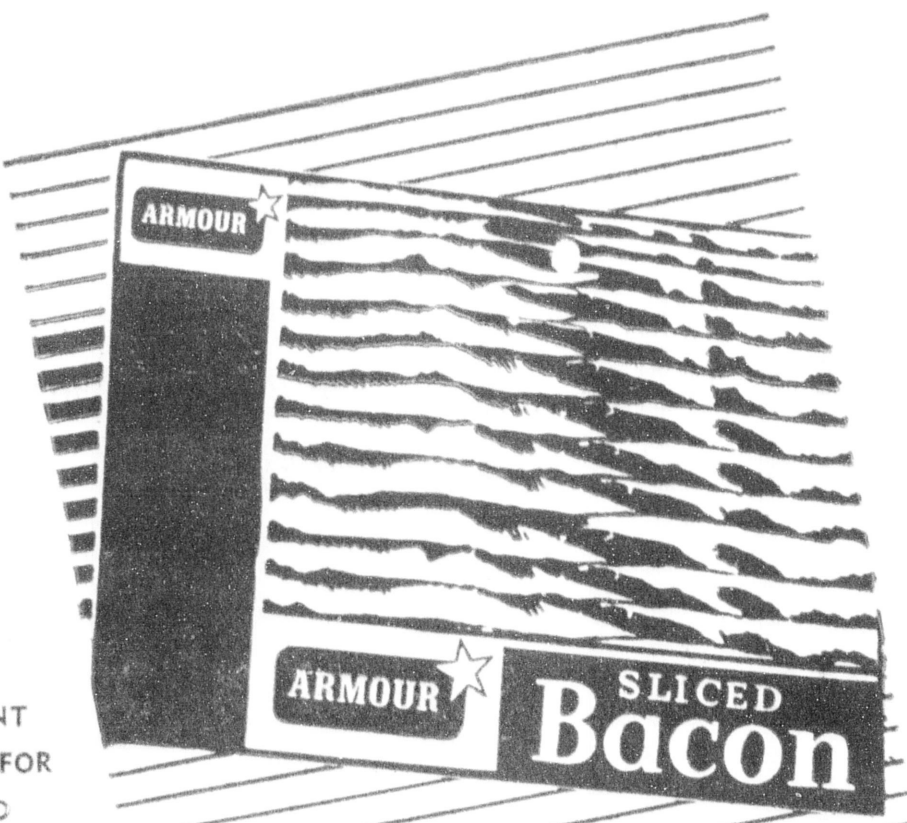

The club will observe children's night at its October meeting. Members of the Brownie Scout Troop, sponsored by the Lioness will be guests of honor. Helen Rieman will decorate.

Mrs. Donald Ward was a guest.

SHOPPING FOR SPEED

SOUTH HAVEN, Mich. (AP)—Mrs. Norman Nelson lost her 1934 model "shopping car" to hot rod racing. Her husband, an ardent hot rod fan, converted the old buggy and she doesn't mind it at all.

Mrs. Nelson plans to drive it in the powder puff derby.

In 1906, four-fifths of New York taxicabs were French cars.

CARROLLTON

CARROLLTON — Mr. and Mrs. Henry Morton and son of St. Louis, Mo. and Mrs. Melvin Giles and family of Collinsville, Mo. and Mrs. Fred Manns of Alton and Mr. and Mrs. Ray Widaman also of St. Louis were Sunday guests at the home of Mr. and Mrs. Byron Rhoades.

Mrs. Ola Walker of Greenfield, who underwent surgery last week in Boyd Memorial Hospital, was moved Tuesday to the home of her son-in-law and daughter, Mr. and Mrs. Holly Jackson where she will spend a few days.

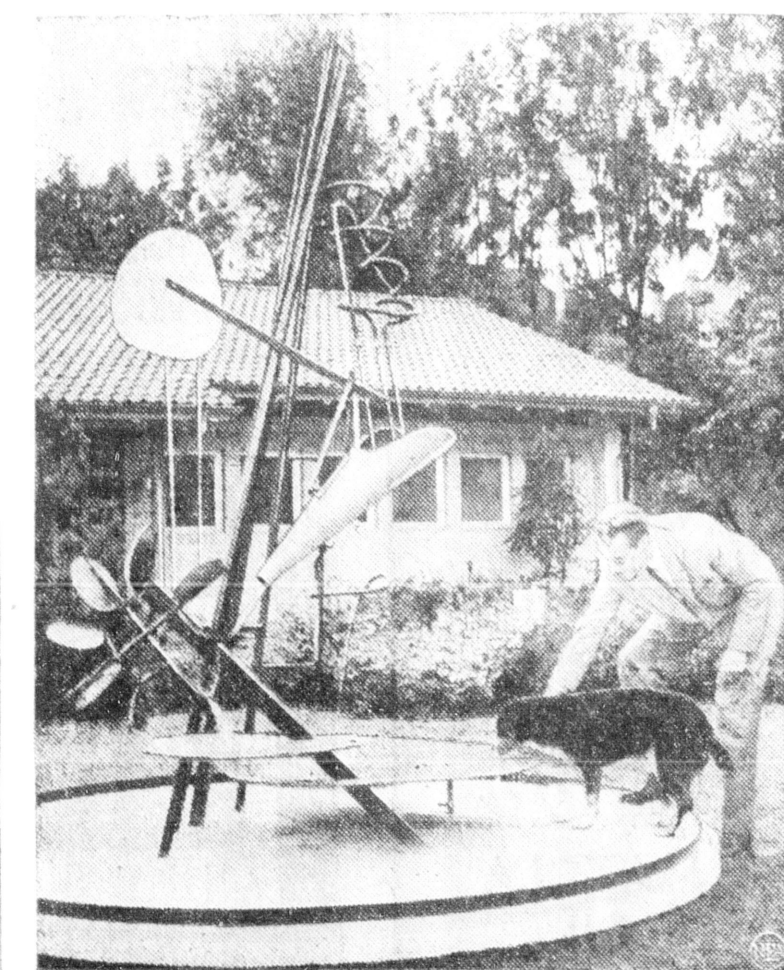

The members of the Carrollton Rug Club were entertained Tuesday afternoon at Mabel's Tea Room. The hostesses were Mrs. R. L. Scott and Mrs. A. J. Sharon.

Mr. and Mrs. Ralph Burris of Hudson, Ill. arrived Tuesday to spend a few days with their nephew and niece, Mr. and Mrs. Franklin March.

B. Olbert of Wood River was a guest Saturday of Mr. and Mrs. Lynn P. Simpson. Mr. and Mrs. Olbert plan to leave this week for Tulsa, Okla., to spend a few days before going to Hollywood, Fla., to spend the winter.

NONPOLITICAL PLUMS

MANCHESTER, Conn. (AP)—The plums that Mayor Sherwood Bowers passes out to his city hall friends are not political. He raises baskets of them as a hobby.

WATER MOBILE—A visitor to Bienne, Switzerland, has to coax his dog to take a drink from one of the city's strange-looking water fountains. Part of Switzerland's exhibition of contemporary sculpture, this mobile is kept in motion by water jets which strike its wheels and discs.

PENTA
pine posts

Pressure-treated Penta posts last 4-5 times longer than untreated posts — up to 30 years or more! With Casswood Penta posts on your farm, much of the money you spend for fence maintenance and replacement can stay right in your pocket.

Casswood Industries takes top quality Southern yellow pine posts... machine-peels them for a smooth, attractive finish... then forces Penta throughout the wood by five hours of extreme heat and pressure in their huge processing cylinder. Each post has years of protection against rot, termites and other insects. And, unlike creosote, Penta is clean, safe to handle and is a uniform chemical compound always at full strength.

Drive In and Save On Freight! Pick up Casswood Penta posts at the source near Beardstown and pay these low prices for orders totaling \$100 or more: (Additional discount allowed on orders totaling \$500 or more.)

Roodhouse P.E.O. To Hold Rummage Sale Saturday

ROODHOUSE—Chapter B U of the P. E. O. Sisterhood, opened the season with a meeting held at the home of the president, Mrs. Cloyd Sawyer, Tuesday evening. Twenty-one members were present.

A pre-view of the year's program was given by the vice president, Mrs. Hal Gilmore, and a study of the state by-laws and standing rules was read by Mrs. W. J. Allen. An article taken from the P. E. O. Record on Mrs. Helen Chapman, a member of the Chapter G B. of the P. E. O. Sisterhood at Jerseyville, and now the newly elected president of the general federation of Women's Clubs, was read by Mrs. Elmer Houseman.

During the business session it was decided to hold a rummage sale Saturday in the city park. Many unusual articles are to be sold including a full dinner set, a service for twelve.

At conclusion of the evening, refreshments were served by the hostesses.

Personals

143 At Ashland Community Club Dinner Program

ASHLAND — One hundred and forty-three attended the Ashland Community club dinner meeting held Monday evening, Oct. 4, at the high school and served at 6:30 p.m. by the ladies of the Baptist church.

A highlight of the program was a talk by Congressman Peter F. Mack, Jr., of Carlisle. Mr. Mack has made seven trips outside of the country and visited 18 countries establishing himself as an authority on foreign affairs.

Several vocal selections were sung by Richard Hager, who recently returned from Korea. The program for the evening was arranged by the following committee: Dr. E. L. Beadles, chairman; Dr. R. O. Bea-

dies, Fred Hexter, Jr., R. A. Newell, T. P. Leahy and Carl Altman.

HELPFUL LIONS

MANILA (AP) — Lions club of the United States have donated some \$500,000 worth of trucks, tools, plows and a complete rice mill to the Philippines.

Most of the equipment has been sent to the southern island of Mindanao, where the Philippine Army is resettling those former Communist Hukos who agreed to cease their rebellion and turn in their arms.

TAKES AFTER MISTRESS—Peggy, a pint-sized elephant who doesn't believe in signs, is coaxed from a Detroit, Mich., park fountain by her mistress, swimming star Esther Williams. While taking a walk, the pool proved too much of a temptation, and Peggy took an impromptu dip.

BIRTHDAY PARTY AT NURSING HOME FOR MISS ORPHA WATTS

ASHLAND—Miss Orpha Watts, who is cared for at the Esther's Nursing Home, was pleasantly surprised when a group of women gathered to help celebrate her birthday Monday evening.

Miss Watts received many nice gifts and also a shower of cards from her many friends. The ladies attending were Mrs. Lester Riley, Mrs. Ada Walbaum, Mrs. J. Wesley Smith, Mrs. Mary Goff and Mrs. Seth Minter. Mrs. Martha McGready, also at the Nursing Home, was a party guest. Mrs. Ernest Riley furnished the birthday cake but could not attend because of illness.

DREAM DESTROYED

PITTSBURGH (AP)—"Most people plan to travel when they retire but we want to settle down," Mrs. Paul Clement said the other day. She has good reason.

Her husband, a Gulf Research geophysicist, has been transferred to Bakersfield, Calif. The move came only six months after he had built a "dream home" in the belief he would be stationed here for a long period.

In their 23 years of married life, the Clements have lived in 10 states. The move to California is their 41st since he became a geophysicist.

F.B.I. Official To Address PTA At Ashland High

ASHLAND—An interesting program has been planned for the Oct. 11 meeting of the PTA to be held at 7 p.m. at the high school. A representative from the F.B.I. office at Springfield will speak on "Juvenile Protection" to be followed by a question and answer period. After the speaker a travel film in color will be shown.

Group singing will be conducted with Miss Darlene Douglas at the piano. A piano duet by Joyce Senter and Sandra Hammack will also be presented. Mrs. J. H. Douglas is music chairman for the meeting.

The committee in charge consists of Mr. and Mrs. Charles Agertt, Mr. and Mrs. Lester Edwards and Mr. and Mrs. Ralph Weber. An attendance prize will be given to the room having the largest percentage of mothers present. Refreshments will be served.

PREMATURE HALT

OAKLAND, Calif. (AP)—Burglars tried in vain to break into a wall safe. Later Sheriff's Deputy Henry Marks merely touched the battered safe door which swung open to reveal a tray of cash.

Family Class At Murrayville Has Pot Luck Supper

MURRAYVILLE — The Family class of the Methodist Sunday School held its first meeting of the year Monday evening in the church basement. About 40 were present to enjoy the potluck supper.

Russell Heaton presided over the business meeting which followed. A letter was read from the missionary at Asbury College which they help

support. The class pays \$50 per quarter for his support.

The following officers were elected for the coming season: President Joe Million; Vice President Clifford Walker; Secretary Pearl Walker; Corresponding Secretary Nellie Tendick; Treasurer Bernice Harvey.

During the recreation period which followed Mrs. McKelley and Joe Million had charge of the games. The next meeting will be the first Monday night in November.

Mrs. Mary Davis of Mattoon and Mrs. Minnie Barr of Jacksonville spent Saturday afternoon with Mrs. W. G. Hellenthal.

Mrs. Lola Hayes and daughter, Opal, of Franklin were Sunday dinner guests of Mr. and Mrs. J. A. Carwell and family.

Mr. and Mrs. Lewis Wildrick of Carthage, were weekend visitors with her mother, Mrs. G. E. Boecker and other relatives and friends.

Mr. and Mrs. Fred Meadows of Franklin were supper guests Monday evening of her mother, Mrs. Irene Atkinson.

Mr. and Mrs. J. A. Carwell were recent visitors with Mr. and Mrs. Cory Calhoun of Grafton.

Mrs. Walter Brown and Mrs. Lyla Brown of Jacksonville spent Monday afternoon with Mr. and Mrs. Walter G. Hellenthal.

Mr. and Mrs. Harry D. Rimbey and son, and Mrs. Estella Rudd of Springfield, Mr. and Mrs. Dale Gibbins of Roodhouse, and Mr. and Mrs. Harry H. Rimbey were guests Sunday of Mr. and Mrs. Hardin Rimbey and family.

ALEXANDER

ALEXANDER—Mrs. Mayme Day-ent of California, formerly of Alexander, is visiting friends and relatives at Alexander.

Mrs. Elizabeth Wood and Mrs. May Colwell attended the funeral Sunday of Mrs. Robert Ranson near Pittsfield. The deceased was a sister-in-law of Mrs. Wood.

John Isaacs with the Navy stationed near Washington, D. C. is visiting his mother, sister Cynthia and younger brother, Hardin Sunday Mr. and Mrs. Don Mayberry joined the family for dinner.

Mr. and Mrs. John Swaine and children of New Canton visited his sister, Mrs. Emma Grady, and the family of his brother, Kenneth Swaine, over the weekend. Lois Swaine accompanied Joyce and Donald to the Alexander school Friday.

A daughter was born to Mr. and Mrs. John Proffitt last Friday.

Mr. and Mrs. Wilson Richie of Georgetown spent the weekend at the home of Mrs. Richie's uncle and aunt, Mr. and Mrs. C. E. Keenan. They attended church Sunday morning at the Alexander Methodist. Other guests at the Keenan home Sunday were Mr. and Mrs. Carl D. Evans, Carl K. and Carolyn, Mrs. Katherine Robbins, Mr. and Mrs. W. T. Keenan and Patty, Billy and John Paul.

Mr. and Mrs. Lloyd Waugh, Mrs. Addie Davis and Tucker Shannon of Louisiana, Mo., and William Young of Jacksonville were guests of Mrs. Edna Strawn at her cottage near Chandlerville the past weekend.

Mr. and Mrs. O. E. Ryan and Mrs. Margaret Hines were dinner guests last week of Mr. and Mrs. J. A. Zeller.

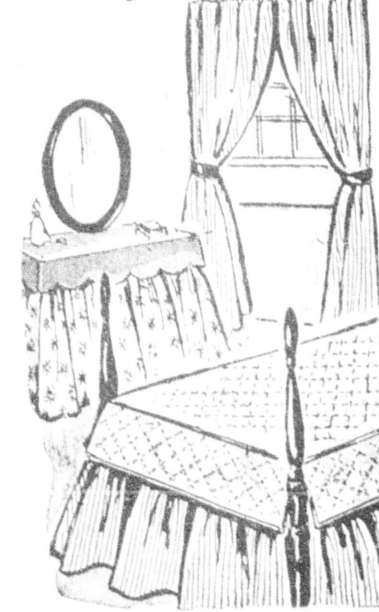

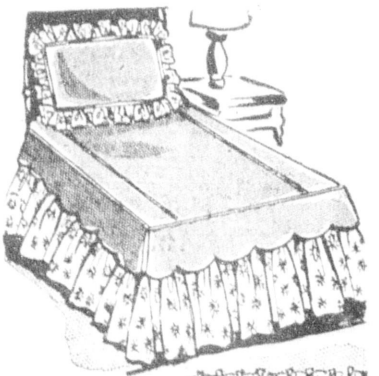

Mr. and Mrs. J. A. Zeller and Mr. and Mrs. O. E. Ryan spent Sunday in Springfield visiting Mr. Zeller and Mrs. Ryan's sisters, Misses Catherine and Elizabeth Zeller.

Mr. and Mrs. Chester Smith visited Mrs. Smith's brother, Mr. and Mrs. Harvey Moore and family at Aisey last Sunday.

NANCY and Miss Wister sat on opposite sides of a small sunroom that overlooked the lake. Dunn was not at all sure he liked the changes in Miss Wister. Certainly contact with the Carlsons had made her quite different from the efficient fixture in the outer office of the Pine Detective Agency. Perhaps his past opinions had been colored by Miss Wister's past performance. He could never forget her loyalty, the things she had done.

Yet her obvious lying, the viciousness of her temper in the attack on Mrs. Gelstrap, made her an obvious suspect if the death of Angelica proved other than accidental.

Sheriff Agnes said, "Do you want to add anything to your previous statement, Miss Wister?" She had reassumed her formal, sheriff's role.

"No, I don't think so." "Perhaps you will change your mind when I tell you the Denver police have searched your apartment?"

A flood of color crept up Miss Wister's neck, made her ruddy cheeks even redder. "You had no right to do that." She did not raise her voice, looked down at the clenched hands in her lap. Yet even without bodily motion it was evident that every muscle was tense, that she waited for a blow she still hoped would not come.

"The Denver police were very much interested in your photographs," Agnes went on inexorably.

Miss Wister shot an agonized glance in Dunn's direction.

"Perhaps Mr. Dunn can tell us more about them?" the sheriff went on. She looked across the room toward Nancy.

He said, "Miss Wister had not discussed her taste in photography with me."

JIM and Nancy walked down past the boat house to the edge of the lake. Nancy stopped when they were in a sheltered position, held up her arms. "You haven't kissed me all today."

That omission was easily and pleasantly remedied.

Nancy pulled away, smiled and sat down on a rock. She said, "What a stinker!"

"Now you've spoiled it. But you did say Miss Wister was in love with me. Of course I knew it all the time, but I'm much too modest for my own good."

"Jim, what's going on around here?"

Dunn sobered instantly. "We're caught in the middle of a family mess."

"I don't see how, Agnes—the sheriff?"

"You haven't seen old Mrs. Oswald yet, have you? Put Agnes Argyle alongside the old lady and you know they have a great deal in common, including blood."

"Stop looking so smug, Jim, what was Agnes trying to do with me?"

"THE way it looks," Jim went on, "Agnes was to make friends with you, influence you to seeing only one point of view. You were to turn to her, believe her, trust her, instead of me. Of course that was supposed to infuriate me. Soften me up, so to speak, so I would be ready to fall into Mrs. Hilton's trap. And a nicely baited trap, I must say."

Understanding flooded Nancy's face. "But what does she think I'd be doing?"

"Don't forget Mrs. Hilton was watching through glasses. She saw you in that dark and dowdy outfit of yours. Why should she expect competition from such a tramp? She didn't even recognize you at first as the same woman, and she didn't like it a bit when she found out. Let that be a lesson to you to always look your best."

"A nice family," Nancy said. "But all this planning and effort, Jim. That must mean they know it was murder."

Community Meet Held In Arcadia

The October meeting of Arcadia Community was held Saturday evening with a pot luck supper with a large attendance. After supper, Frank Ogilvie opened the meeting with a pledge to the flag. After this, election of officers for the coming year were held for president, John McGinnis; vice president, Merrill Masten; secretary and treasurer, Mrs. Robert Daniels and reporter, Mrs. Lena Masten. The November meeting will be

Jacksonville Journal, Jacksonville, Ill., Oct. 8, 1954

with Mr. and Mrs. Frank Ogilvie and Mr. and Mrs. Clarence Thompson.

The remaining part of evening was spent playing games. High going to Mrs. Logan Perry. Others were Rickey McGinnis, Mrs. Doris Smith, Mary Kay McGinnis, Mrs. Clarence Mallicoat, Mrs. Cora Hani, Mrs. Lawrence Mallicoat, Mrs. Clarence Thompson and Mrs. Merrill Masten.

Almost all mammals, fish and birds produce albinos or colorless individuals, occasionally.

A&P's 95th ANNIVERSARY CELEBRATION CONTINUES TO THRILL THOUSANDS WITH...

Extra-Big Buys

ALL THROUGH THE STORE!

Come See, Come Save

Last week thousands of food shoppers flocked to A&P for the extra-big buys that make A&P's 95th anniversary celebration the year's biggest money-saving event. If you were among them, you'll undoubtedly be back for more. If you weren't, start getting your share this week! You, too, will be thrilled by the store-wide savings A&P is offering.

Customers' Corner

Many Happy Returns!
It's our "birthday," folks! Our first little store was opened in 1859. Thanks to the patronage of people who approved our policy of bringing more good food to more people for less money.

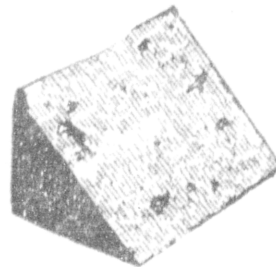

To show our appreciation of your continued support of that policy, we're doing our utmost to bring you very special values during our "birthday month."

So while we're celebrating our birthday, we hope you'll enjoy many happy returns... to A&P!
